TYPES OF DATA PROCESSED AND PURPOSE OF THE TREATMENT

Navigation data

The computer systems and software procedures used to operate this Website acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols. This is information that is not collected to be associated with identified subjects, but for their nature, could, through processing and association with data held by third parties, allow users to be identified. This category of data includes IP addresses or domain names of the computers used by users who connect to the site, the addresses in the Uniform Resource Identifier (URI) notation of the requested resources, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (success, error, etc.) and other parameters related to the operating system and the user's computer environment.

These data, necessary for the use of web services, are also used in aggregate form in order to obtain statistical (and therefore anonymous) information on the use of the Site (most visited pages, number of visitors per hour or day, etc.) and to check its correct functioning.

Navigation data do not persist for more than seven days (except for any need to ascertain criminal offenses by the judicial authorities).

DATA ADDRESSEES

The recipients of the data collected following the consultation of the Site are the recipients designated by the Data Controller, pursuant to Article 28 of the Regulation, as "data processors":

Wix.com Ltd, as a provider of site development and maintenance services;

Wix.com Ltd - as a provider of hosting services.

The personal data collected are also processed by the Data Controller's collaborators, who act on the basis of specific instructions provided for the purposes and methods of the processing.

RIGHTS OF THE INTERESTED

The interested parties have the right to obtain from the Owner, in the cases provided for, access to their personal data and the correction or cancellation of the same or the limitation of processing that concerns them or to oppose the treatment (Articles 15 and following of the Regulations). The appropriate application is presented by contacting the owner of the holder.

RIGHT OF COMPLAINT

Interested parties who believe that the processing of personal data referring to them, made through this site, is in violation of the provisions of the Regulations have the right to lodge a complaint with the Guarantor, as required by art. 77 of the Regulation itself, or to take appropriate judicial offices (Article 79 of the Rules).
